

As I mentioned on the call, the exciting news is that, if you are getting this email directing you to this page, you are scheduled to get your red light device/s shipped to you in just 2 weeks.

This is excellent news! Read these first few comments from some people on the call today; the results blow me away. People are sharing real-time in the chat!

Health Transformations and Results:

00:08:00 Ron: I re-injured my low back, and after two treatments with the belt, my back pain is gone. Amazing!

00:30:36 Linda Olson: I have used the red light belt for a back injury and serious bruises and ligament and muscle tears with really grand results. After 7 months in physical therapy, I saw Jonathan's red light webinar, ordered the belt, and began that treatment. I was out of physical therapy in two weeks. I think Red Light Therapy is a miracle.

00:21:22 Timothy Walker: I bought the belt on a 2nd order and have received it. I bought it for my sister, and she says her energy level went up through the roof. She loves the belt.

00:21:08 Sabine(a) Roesner: I am an integrative health coach. I'm working with a client who has stage 4 lung cancer. We've been doing light therapy every day on her lungs, and we are starting MMS tomorrow.

00:30:41 Penny: I have recommended your products to lots of people—they work great.

00:31:59 Vanja: With Autoimmune Secrets, you helped me with my autoimmune condition. I trust you and thank you for all you do for the world.
